Chateau Building Materials is trading company here in Abu Dhabi, UAE and a subsidiary of Elames Trading B.S.C under Behzad Group in Bahrain. From the founding of the Behzad Group in 1973 I have always strived to bring the best products and service possible to the Gulf"

" I am proud to say that I believe that the Group has achieved this bringing together some of the highest quality brands and some of the most experienced staff available in the market place today"

" From the opening of our first company (Elames) the group has grown to incorporate many companies specializing in various areas of building finishes and other specialist needs"

"As the group heads forward into the next 35 years throughout the Gulf I am confident that we will continue to deliver the products and service that our customers demand and that the experience and knowledge that we offer will meet the needs of the most prestigious projects"

"With the continued Guidance of the Behzad family and the introduction of modern management techniques such as ISO 9001 I am confident that the Group will continue to grow from strength to strength"
