Another word for authentic Mexican and American food products.
A venture of Mecton Group. Every product of Amexicana comes to you with the care and freshness of the nature, because "Quality is our Commitment". MIFCO MEXICO SA de CV a company based in Mexico and in conjunction with their group companies, is one of the largest producers of Mexican food products under the brand name "AMEXICANA", ranging from fresh and frozen Tortillas, Nachos, Guacamole, wide range of Jalapenos, Salsas, Cheddar Cheese Sauce, Dressings, Spices and Seasonings. MIFCO Mexico is an authentic source for the flavors of Mexico. Mexican Cuisine is well known for its varied flavors, colorful decoration and variety of spices, which are original and native to the country. This has evolved over a period of four to five centuries through a blend of indigenous and European elements, cultures and flavors. In Nov 2010, Mexican cuisine was added by UNESCO to the list of "intangible cultural heritages". It is a cuisine that has caught our fancy and we at MIFCO want to bring the same closer to your hearts. State of art production facilities, stringent quality control, years of experience in the plantation processes and above all the passion for specialty foods, have made MIFCO Mexico an unique organization. AMEXICANA, a taste that follows you.....
