Sign & Digital Print Media Division of Al Shabak, over a 12 year period, have dedicated themselves to meeting the varied needs of Sign and Digital Printing Industry. Managed by a team of professionals, we provide advice based solutions to professional sign makers, graphic design houses and digital imaging bureaus in UAE and GCC countries. Located conveniently in Al Gusais in Dubai, we offer from our temperature controlled large warehousing facility a wide range of pressure sensitive tapes and films manufactured by MACtac, Belgium – the emerging leaders worldwide in self adhesive media. As distributors of MACtac in the UAE, we have earned respect in the marketplace as a solution provider and have introduced many innovative products from MACtac specially for digital printing. In keeping with our policy to offer high quality products, we have taken up exclusive distribution of Ferrari Stamoid, France, an exceptional range of premium flexible media for large and wide format graphics, which do not curl or crease and are extremely resistant to tearing. The product range offers high performance, fire resistant media for front lit banners, backlit banners and Mesh applications.. To support the premium quality Ferrari fabric media, we have recently signed up with Profil Tension System, manufacturers of precision fabric stretching system which combines simplicity, efficiency, resistance and quality, with the diversity of its range. PROFIL is the essential answer to your needs of fabric tensioning. In 2009 we had introduced Pizazz Multimount, a patent standoff system, which makes mounting panels on walls or other vertical or horizontal surfaces is easier, faster and safer.
