Professional Practice Insurance Brokers LLC is an independent multi-lines insurance brokerage firm with offices located in Dubai UAE. It is a privately owned firm and is currently managed by a dynamic team of industry professionals. Professional Practice has always remained a customer-focused organization with strategic business divisions focused on commercial lines, business insurance, aviation insurance, personal insurance and e-insurance management systems. As a unified team, we work together. To service all your insurance needs.

As a trusted advisor, our team's goal is always to exceed our customer's expectation of professional service by delivering expert insurance advice, personalized customer service and innovative risk management that all combine to ensure your assets are properly protected and to reduce your total cost of risk.

Professional Practice works with some of the largest insurance companies in the world to deliver a variety of products and services to our customers. Ultimately, we work towards building long-term relationships between our customers and insurers in order to deliver comprehensive coverage, competitive pricing and quality claims service.
